

Networking is the number one reason most businesses join a Chamber of Commerce. Chamber membership's highest value lies in activation through personal involvement. It's all about connecting with others and participating in Chamber activities.

The Wesley Chapel Chamber offers many free and low-cost networking events per year. **Social Networking** is most common at Monthly Mixers, Business After-Hours and our many networking groups (such as Women of Wesley Chapel, Networking Coffee, Power Networking Lunch, and Networking on the Nines).

There is also a monthly **Business Breakfast** at Saddlebrook Resort where, for a small fee, you have the opportunity to network and to benefit from a guest speaker addressing a timely topic.

All these events provide a friendly, business casual environment to meet with potential new prospects and **community leaders**. Refreshments are always available and often attendees have the opportunity to win door prizes or even cash.

Our **Ambassadors** clearly are in the "member support" business. They welcome new members into the Chamber by visiting their location and reviewing Chamber events and opportunities with them. They attend **ribbon cuttings**, make new members feel welcome at networking events, and support the efforts of other committees. New members may apply to become an official Chamber Ambassador.

Committee involvement is a very important part of your Chamber membership. We are a volunteer organization and are dependent on volunteers to keep our programs and events functioning. We know you have talents and

expertise in areas that would benefit our community and the Chamber and we appreciate you sharing these with us. You will benefit personally and professionally. Please consider joining one of these committees:
